GENERAL NEWS

We hope you all enjoyed the Easter weekend. The children in attendance seemed to have a fun week.

We are now blessed with warmer weather, please ensure your child has a named sun hat and are wearing cool clothing. If you supply your own sun screen, please provide a fresh bottle, thank you.

Natalie is now planning Photo Day. This year she is thinking of may be taking the photo in Gloria's garden and having a more natural back drop.. Please let her know your thoughts, would you prefer the traditional portrait or would you be open to the naturalistic.?

Soon we will be contacting your child's Primary Schools and inviting them to visit us. It is beneficial if they are able to come, but we understand if this is not always possible. I am sure you will all be contacted regarding transitions and home and school visits shortly.

PLANNING

Children's Interests- Bug Hunting.

The song of the month- 'Head, Shoulders, Knees and Toes'. A great song supporting our physical development.

Book of the Month- 'Don't wake the Bear, Hare'. Later in the month, ask your child what happened when the hare woke the bear?

Nursery Outing

Thank you to those that have returned and paid for the nursery trip. A reminder that the dead line for returning forms is the 3rd and also that payment needs to be in cash only.

50 things to do before you're five

Norfolk County Council are promoting 50 free or low cost activities to do in Norfolk. Activities are aimed for early years aged children, from puddle jumping to painting. Leaflet's are being handed out ,so you are able to download the app.

Start ticking these great suggestions off your list!

Also, remember the BBC's Tiny Happy People website is excellent for under five's resources and activities.
