PLANNING

Children's Interests- Construction

The song of the month- 'Five Little Speckled Frogs'. This song helps support early counting skills and you will often find the children jumping in the garden singing the song.

Book of the Month- 'There's a Spider in the Bath'. Later in the month, ask your child what did the spider do at the end of the story? A very memorable ending!

Am i ready for school?

Tips for parents

Self care- I know when to wash my hands. I can wipe my nose and ask for help if i feel unwell.

Getting dressed or undressed- I can button and unbutton clothes.

Put my own shoes and socks on and put on a coat and use a zip.

Eating- I can use a knife and fork. I am confident at opening wrappers and packaging.

Toileting- I can go to the toilet on my own, wipe myself properly and flush. I can wash and dry my hands by myself.

Independence- I am happy to be away from my main carer. I am happy to tidy my belongings and look after my things. I feel confident about starting school.
